## Upcoming Events

**2014 AGM** – September 24, 2014 (last Wednesday in September)

## [Check the Website regularly for Upcoming Events and Range Status](#)

## [Letter from the President](#)

I hope everyone is having a great winter season.

I want to take this opportunity to thank everyone who donated to the Christmas Food Drive. As mentioned in the Community Awareness section, the response was great.

A couple of club members have been working on improvements and enhancements to the club website, so we will keep members posted as additions are made. We are trying to make the website the “go to” for current Club news and updates as well as match results.

This year we are implementing a Membership card system. Each member will be issued a personalized card for the 2014 year. For more details, read the sections on “Membership ID” below.

We continue to have a great turnout for our IDPA style practices and matches. As a reminder, we have another match coming up on February 23<sup>rd</sup> so the Indoor range will be in use for the day.

**Remember to continue to drop your \$3 each time you use the range. This small fee keeps a good supply of targets and helps us maintain our club.**

See you at the club!

## [RTS Update](#)

A brief note on the Retractable Target System.

The club has raised enough monies to purchase our first RTS, thank you to all members for their support!. The RTS installation is tentatively schedule for March with the first day of operation before April.

Support for additional RTS through the scap metal drive and cash donations will assist in having RTS in all shooting lanes. If any member can help out with the installation contact either Louis Liadis or Jim Hood.

## Membership ID

A membership ID card system has been implemented at the club for 2014. Each member, upon full membership payment, will be issued a personalized HPRC card with their name, access code and any Certifications listed. An annual sticker will be added to indicate their membership is in good standing. *(See sample below)*

Membership cards along with a holder and lanyard will be available at the **Indoor range for pickup.**

Remember to wear your Membership ID's at all times either at the Indoor or Outdoor range.

## Miscellaneous

If you need to mail forms or membership fees to the club we now have a PO Box in Huntsville (*Mailing Address*). See the left sidebar for details.

Remember to check the website OFTEN for Range closures, courses, matches etc. The website will be updated with Range status as well as Upcoming Events.

We will be renaming the *IDPA style* practices and matches to **Hammer Down Action League**. This can include different styles of shooting not just *IDPA style*. Check the website for updates and events.

## Community Awareness

As mentioned above, our club donated **125 pounds of food**, including baby food to the food bank in Huntsville. We will be doing food drives in 2014 including at our first outdoor match and the AGM in September, with a goal of **200 pounds!** Donations of canned, dried foods and baby food will be greatly appreciated.

These activities help to remind the community that we are friends and neighbours.
