## [Letter from the President](#)

Welcome to all new members in 2014! There has been a great turnout of new members since the beginning of 2014.

We are updating our database with member's certifications; if you have certification such as Club Level cert, RO, Holster cert, etc., please drop me an email. (*Email at bottom of newsletter or website*).

The Outdoor range is now OPEN. Details on the rules/regulations are noted in the Outdoor Range section below.

We will be hosting a BBQ prior to this year's AGM on September 24<sup>th</sup>. Plan on attending the BBQ and AGM to discuss "what's new" and issues important to all of us. Details will be posted on the website as well as the August newsletter.

As a reminder, our **EVENTS COORDINATOR** position remains vacant. If anyone has a few free hours a month to volunteer it will be greatly appreciated. Match events, BBQ fundraisers etc will not only improve the viability of the club but also give members a chance to talk shop and enjoy the sport with other members!

**Remember to continue to drop your \$3 each time you use the range (indoor and outdoor). This small fee keeps a good supply of targets and helps us maintain our club.**

See you at the club!

## [Outdoor Range](#)

The Outdoor range is now OPEN to members/guests ONLY. Please follow all rules/regulations as posted at the outdoor range. Use good sense when shooting outdoors, with the consideration of our neighbours and the nearby community in mind.

Before shooting, members are required to sign in/sign out at the Indoor Range log book, until further notice. We are working towards installing a small shed to house the log-in book and targets etc for the outdoor

## Miscellaneous

As noted in our April newsletter we had a contractor clean out our indoor range backstop of debris, metals, etc. This recoup of materials generated a modest amount of revenue for the club. The next cleanout will be scheduled within the next two years.

To further promote our lead control plan, Servicemaster has been contracted to clean the range and shooting stall area every two months, beginning this summer.

Online match registration will be available soon for members and non members alike. We are also working on a Members page which includes exclusive member's only information/events.

Remember to check the website OFTEN for Range closures, courses, matches etc. The website will be updated with Range status as well as Upcoming Events.

Members who have not picked up their Membership ID cards may still pick them up at the range.

## Community Awareness

Check the website often for upcoming Club community fundraising and food drives. These activities help to remind the community that we are friends and neighbours.
